P.O. Box 1450
Alexandria, VA 22313-1450Re: D'Antonio et al. U.S. (Reissue) Patent Appln. 10/056,441
Filed January 24, 2002 – HYPODERMIC FLUID DISPENSER
Our Ref. DA9397US.CIP2RE (#90036)

Gentlemen:

Enclosed is a copy of a "Corrected Filing Receipt" for the referenced application with a mailed date of 10/29/2004. While the correction was as indicated in our letter dated May 6, 2002, i.e., deletion of the data listed under the heading "Domestic Priority data as claimed by applicant," there was an inadvertent clerical error in the indication that the portion reading:

THIS APPLICATION IS A REI OF 08/738,303 10/25/1996 PAT 6,056,716

was to have been deleted. The above-noted text is to be included on the Filing Receipt because this application is actually a reissue application of U.S. Patent 6,056,716 as verified by the attached documents indicated as 1 (first sheet of the "Reissue Patent Application Transmittal) and 2 (post card receipt). Furthermore, this text was properly inserted by the USPTO on the filing of the reissue application.

We apologize for the inconvenience of correcting this filing receipt and appreciate your good attention to processing a new Corrected Filing Receipt, which indicates the Domestic Priority data as "THIS APPLICATION IS A REI OF 08/738,303 10/25/1996 PAT 6,056,716," in due course.

If there are any problems with respect to this correction, please telephone the undersigned.

Sincerely yours,

D. Peter HochbergDPH/ck

Receipt is acknowledged of this reissue Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Filing Receipt Corrections, facsimile number 703-746-9195. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).

Preliminary Class

604

LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
